Dear Sir:

I am enclosing check due for releases June  
2nd & 9th.

Would it be any trouble to date the releases.  
If not I wish you would do it. If it will mean to  
much additional work, or the changing of a stensil  
or anything do not bother.

I have another man working for me now, and  
I would appreciate you sending him the releases if  
you will. His name is Dick Edwards, address 1 Auburn St.  
Patterson N. Jersey.

Very Truly Yours
